## Volunteer Performer

### About YHA

YHA is a registered UK charity with a clear mission, to inspire all, especially young people, to broaden their horizons gaining knowledge and independence through new experiences of adventure and discovery.

### Making a difference

YHA is a UK registered charity. Our aim is to help everyone, particularly young people of limited means to be able to explore new destinations and broaden their horizons.

As a Volunteer Performer you will be sharing your talent with others. You will gain the opportunity to develop your performance skills and audience base.

In return, you will be helping to enrich the lives of others by sharing your talent with new audiences. You will also get the chance to explore new locations in Wales and England and make some amazing memories!

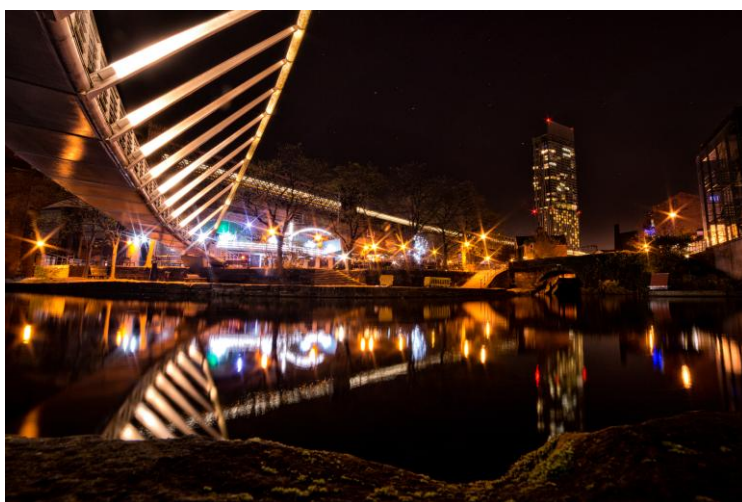

### Where can I do this?

YHA has over 150 locations across the England and Wales who run music events. With rural and city sites YHA has a broad range of locations which you can play.

### Hours of support

The day and times of performances given will be arranged directly with the Hostel Manager. In general, performances are always welcomed in the evenings and at weekends.
