Making a difference

Support Group Leaders are a vital link between hostels and the local community to encourage supporting YHA by volunteering and fundraising.

What will I be doing?

The Supporter Group Leader will keep in touch with volunteers and members in the Whitby area. The role is new but we expect the Leader will be involved with:

- Promoting the supporter group in the local area through newsletters, online forums and local noticeboards and contacts
- Meeting with the Hostel Manager and other YHA staff to discuss how the group will help the hostel
- Contacting new and existing volunteers to encourage continued support
- Sharing new volunteer information with hostels and the Volunteering team
- Coordinating volunteers to support annual events at the hostel e.g. YHA Day
- Hosting open days to encourage new people to get involved

- Attending events at the hostel to be a familiar face and support volunteers

How will YHA help you?

To help you achieve all this, we recognise it is important for you to be well-briefed and have input into the group's activities. You can therefore expect:

- To be involved in planning the group's calendar of events
- Given access to marketing materials to help you promote the group in the area
- Support to find local networks to tap into to promote the group
- Support to use social media to enable communication between all members of the group
- Meeting room space at the hostel at no cost to the group, subject to availability
- Guidance on how to manage personal data
- Guidance on YHA's procedures you will need to know
