

YHA Supporter Groups

Giving time locally with YHA

As a charity, the support of volunteers is vital to our work. Without the help of volunteers we would be unable to look after the special locations in our care and deliver fun and inspiring events in our local communities.

What is a Supporter Group?

YHA Supporter Groups are an important part of our local volunteering programme. A Supporter Group gives you the chance to 'pick and mix' your volunteering experience with YHA on your own doorstep.

Whether you enjoy helping to plan and deliver events, like being hands on in the garden or enjoy using your DIY skills- you choose when and how you give time.

Benefits

Becoming part of a Supporter Group is a great way to;

- Give time to your local YHA
- Access flexible volunteering
- Meet likeminded people in your own community
- Develop your CV
- Share your skills and experience with a charity
- Get outdoors and active
- Help with travel expenses is available

YHA and Safeguarding

YHA is committed to safeguarding and ensuring the welfare of children, young people and vulnerable adults and expects all volunteers to share this commitment.

The suitability of all prospective volunteers will be assessed during the recruitment process in line with this commitment.
