## Welcome to YHA Working Holidays

For over 80 years YHA has been inspiring all, especially young people, to broaden their horizons, gaining knowledge and independence, through new experiences of adventure and discovery.

YHA Working Holidays are a great way to try out volunteering, without any long term commitment.

You pick when, where and for how long you go.

Help in your own community, or travel somewhere new to give your time - all the choices are yours

Whether it is helping to tidy a garden, paint rooms or even re-build a drystone wall - you can select an event that suits you. You don't need any special skills to take part - just a willingness to get stuck in!

YHA can even offer help with travel expenses, and where available, free accommodation for volunteers.
